

CRP Grassroots Delegate Support

Our grassroots Republican Delegates will be going to Sacramento March 10-12th. They earned their position of being one the 1500 Republicans out of 5 million Republicans in California who can vote on Party Leadership, Platforms and Endorsements.

Most are regular folks who ran to make a difference.

They need our financial support to cover costs to attend and participate. Having a voice and vote at the table is vital.

Join us in supporting them financially and make a contribution today.
